Dear Mr. Teel,

On behalf of Neediest Kids and the students in the Washington area that we serve, thank you for your generous support of the 8<sup>th</sup> Annual "Run with Alan Webb."

This Benefit Fun Run kicked off the holiday season and festivities at Reston Town Center. Over 500 students and their families woke up early Friday after Thanksgiving to compete in this one mile event (except for the toddlers who ran 2 blocks!). We are especially grateful to Alan Webb who has a heart of gold and enjoys the morning as much as all the kids.

Enclosed you will find copies of the program elements featuring our partners and sponsors as well as a special race t-shirt. We are also pleased to also enclosure a copy of the Fairfax County Times from Wednesday November 26 which had a distribution of 128,000. Please turn to page 7 where you will find a special ad from us to you!

Your support means so very much to us, especially during these challenging economic times. This year, the 'Run with Alan Webb' raised more than \$43,000. These funds will help more than 2,500 students in the Washington area. These funds enable schools to purchase new clothes, medical and dental care, eye exams and glasses, school supplies, transportation, and more for their students in need.

As we close out the year, we look toward 2009 with excitement and hope as we come together and help those with the greatest need during the holiday season and throughout the year.

Happy Holidays!

Sincerely,

Lynne D. Filderman  
Executive Director
