Developing Leaders Program Update

Developing Leaders Snack Pack Project

On August 15-16, 49 volunteers packed and delivered more than 3000 Snack Packs to the Culmore Teen Center. This is the fifth year that the DL Committee has organized and executed the Snack Pack project to benefit Alternative House. The Culmore Teen Center is one of the community-based youth services offered by the organization.

Click [here](#) to view the time-lapsed video from the event or [here](#) to view photos.

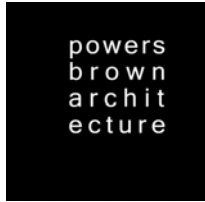

- **Spencer Teel**, TEEL Construction Inc., co-leader of the project, videographer, team lead for the shopping, and coordinator for transportation.
- **Meg Honigberg**, The Christman Company, co-leader of the project, and team lead for delivery.
- **Megan Lantz**, HITT Contracting Inc., team lead for the first packing party.
- **Erica Bazow**, ADI Construction, team lead for the second packing party.

Thanks to **HITT Contracting Inc.** for hosting the two-day project; **ADI Construction** for providing breakfast; and **TEEL Construction Inc.** for providing the truck and driver for pick-up and delivery of supplies and Packs.

Also, special thanks to our sponsors:
